

Good-to-Great Pathway

- A needs assessment that includes interviews with staff and school visits (starting in Oct or Jan)
- Could supplement with existing reviews if available and robust
- Informs the development of the roadmap and the focus of implementation support
- Articulation of priorities, action items and success metrics (2-3 year roadmap)
- Schools will receive support from experts in the project management and development of their roadmap
- Two options: Intensive or Targeted
- Intensive leadership coach provided alongside funding and technical assistance to support implementation of plan and address prioritized needs
- NOTE: decisions around funding for this phase of the support is dependent on the roadmap
